About Me

A final-year Computer Science student at VIT-AP University with a strong foundation in **CS fundamentals**, **Java**, **Data Structures and Algorithms (DSA)**, **HLD-Basic**, and front-end development. Eager to apply technical skills and a passion for learning emerging technologies to contribute to innovative software development projects.

Projects

Weather App - Html | CSS | JS | Rapid API | Github Pages   September 2023 - October 2023
- Developed a Weather app using Rapid API to fetch the data of desired location.
- Hosted Website on Github Pages.
- It displays temperature, humidity, wind speed, and other with more than 90% accuracy.
- It was part of the Internship at CodesOnBytes.

RCoder - Html | Css | BootStrap | Github Pages   June 2023 - July 2024
- This is a basic landing page website built with 2 frameworks like bootstrap, tailwind..
- During building the website I learnt how to use frameworks like bootstrap components.

Unit Convertor Website | Htm | Css | JS | Github Pages   September 2023 - October 2024
- This website has 3 to 4 different unit conversions like Data, Mass, Length, and other unit systems.
- This project was part of the Internship at CodesOnBytes.

Experience

Front End Developer - CodesOnBytes   September 2023 - October 2023

Remote - Online
- I developed 4 websites, by collaborating with the team and optimised the website..
- Which include Weather app, Unit Convertor, Login Page and a Landing Page static website.
- The Weather app was able to fetch data using API with 85% - 90% success rate.

Technical Skills

- **Languages :** Java, SQL, Python
- **CS Fundamentals :** Oops, OS, CN, DBMS, SDLC
- **DSA / Problem Solving :** Leetcode **370+** Question Solved, Rank - **285223, 234** Days Streak
- **System Design :** HLD Scalability, Database, CAP Theorem, API, Monolithic vs Microservices
- **Competitive Coding / Contest :** Leetcode **35**-contest, **1345** Rating, GFG, **10**-Contest **1390** Rating
- **FrameWork / Libraries :** Html/Css, Bootstrap, NLTK, OpenCV, ML
- **Developer Tools :** Github, VS Code, Google Colab, Figma

Education

Vellore Institute Of Technology   **September 2022 - June 2026**

Bachelor of technology - Computer Science Engineering CGPA - 7.91   Vijayawada - AP

Certification

LOR, Bootcamp, Courses, Badges
- Mastering DSA Course - FacePrep May - June 2025
- Letter Of Recommendation - CodesOnBytes
- Internship Completion Certificate - CodesOnBytes
- GeeksForGeeks Web Development Bootcamp
- LeetCode 200 Days Badge - 2025, 234 Days Streak, 100 Days Badge 2024
- AWS Cloud Foundation and Architecture Badge
